MEMORANDUM FOR: Assistant for Administration, NPIC

ATTENTION: [redacted] Security Branch

25X1

SUBJECT: Release of Materials to USAF

1. There is no technical objection from P&DS, NPIC, to the release of a copy of [redacted] proposal for a Coherent Light Enlarger dated 24 April 1963.

25X1

2. Technical information concerning this development was presented at NPIC's Joint Procurement Meeting, held at NPIC in August, 1963, which was attended by properly cleared representatives of the military services.

3. I defer judgement to AS/NPIC/SB concerning the security ramifications of such a release because of NPIC's [redacted] contract with [redacted] for the development of such a prototype enlarger.
